Porter's Five Forces - QuickMBA
Recommended Reading. Porter, Michael E., Competitive Strategy: Techniques for Analyzing Industries and Competitors Competitive Strategy is the basis for much of modern business strategy. In this classic work, Michael Porter presents his five forces and generic strategies, then discusses how to recognize and act on market signals and how to forecast the evolution of industry structure.

Porter's Generic Strategies - QuickMBA
Strategic management involves the formulation and implementation of the major goals and initiatives taken by a company's top management on behalf of owners, based on consideration of resources and an assessment of the internal and external environments in which the organization competes. Strategy is defined as "the determination of the basic long-term goals of an enterprise, and the adoption ..."

Strategy, not Technology, Drives Digital Transformation
Digital success isn't all about technology: The 2015 Digital Business Global Executive Study and Research Project by MIT Sloan Management Review and Deloitte identifies strategy as the key driver in the digital arena. Companies that avoid risk-taking are unlikely to thrive and likely to lose talent, as employees across all age groups want to work for businesses committed to digital progress.

In my book The Fearless Organization, I look at how organizations go wrong because people lack psychological safety and thus fail to speak up. Some consequences can be devastating and life-threatening, particularly in hospital settings. Unwillingness to speak up can also lead to longer-term failures that damage corporate reputations such as the scandals that resulted from automobile ...
